

Decision Making Model

DECIDE Model

For better problem-solving and decision making

- **DEFINE THE PROBLEM**
- **EXAMINE VARIABLES**
- **CONSIDER ALTERNATIVES**
- **ISOLATE A PLAN**
- **DO ACTION STEPS**
- **EVALUATE EFFECTS**

Decision-Making Grid:

(In the course assignment packet)

CONSIDERATIONS

OPTIONS (Alternatives)					TOTAL:
1					
2					
3					
4					
5					
6					

Low number is the winner...

Decision-making Grid: In the course assignment packet

- Do your own decision grid. Then write 1-2 paragraph response indicating how and if this was helpful, why it was helpful, and what are your next steps to achieve your goal.
- Turn in next week.
