Written Assignment

Research the high rate of violence within many of the prison systems in the world.

**NOTE:** Choose the United States AND three of the following global regions for this week’s Assignment.

- Central America
- European Union
- Eastern Europe
- Middle East
- Asia

Write a 1,400-1,750 word essay discussing the high rate of violence in prison systems throughout the world.

Include the following components in your discussion:

Identify at least three legal standards/operational procedures that are emerging around the globe that govern correctional professional practices within corrections systems, and could be applied to the South American prison system.

- Discuss the application of each of the legal standards/operational procedures you chose.
- Use the United States as a point of reference point to compare and contrast each of the legal standards/operational procedures you chose.
- Evaluate the appropriateness of each standard/operational procedure you chose.
- Analyze the effects of each standard/operational procedure you chose. Use research to justify your reasoning.

Explain why you believe the rates are so high and provide justification for your reasoning.

Develop a set of best practice solutions to alleviate this violence.

Demonstrate how your recommendations are in line with these legal standards that are emerging around the globe.

Include a cover page and a reference page.

Format all citations and references consistent with APA guidelines.
Consult the Kaplan Online Library, the internet, the textbook and other course material, and any other outside resources in supporting your task, using proper citations in APA style.
