Challenges for the Emergency Management Chief

View the scenario for background on your assignment.

Part 1:

Complete the PowerPoint that the Chief has directed you to present at the Command Staff meeting. The PowerPoint should:

- evaluate ethical, social, civic, cultural, and political issues as they relate your position
- explain how these issues impact the safety and survival of the members of the department during emergency operations

Part 2:

Complete a written report that coincides with the PowerPoint presentation, outlining the roles that your fellow Chief officers will play while you develop the programs necessary to address the ERP and COOP for the City of Kaplan.

Review the Assignment Checklist before submitting your assignment.
